Having collaborated with Galapagos Options.com for the first time this year, I can honestly say that they are professional and work with a really helpful staff.

We had a small group visiting the Islands (Island Hopping Tour), and all of our passengers came home with a lifelong memory, thank you once again for your kind help and for your tireless work. See you next year!,

Bernadette T. / Travel Agent from Europe. We found Galapagos Options.com on a Google search looking for last minute offers. Having contacted many agencies, they were one of only 3 that replied, within a few hours, and came up with the best offer we found. We organised the whole trip over the internet, chat and email, and it was quick, easy and stress-free!! We were weary of paying money into an account of someone we had never met, but spoke to the office on the phone and came to the office in Quito a day before our trip departed to pick up the E-vouchers & E-Flight-Tickets, (already sent to our confirmed email) and found the staff to be friendly, helpful and efficient.

You can trust that they are a good company and that they really exist! We would recommend Galapagos Options.com to anyone who wants to arrange a trip to Galapagos at the last minute for good price.

Wir hatten nur einen Flyer von www.galapagosoptions.com und waren skeptisch, ob wir über das Internet die Galapagos-Inseln buchen sollten. Wir blieben auch skeptisch, als wir die Reisekosten an eine amerikanische Bank überweisen und unsere Reisepass-Nummern mailen sollten. Aber die Informationen, die wir von Galapagos Options.com erhielten, überzeugten uns letztendlich und wir buchten die 5 Tage Galapagos-Insel-Tour .

Der Flug auf die Inseln war gut organisiert, die Flugtickets lagen in Quito für uns bereit.

Wir verbrachten dann 5 Tage insgesamt auf der Insel Isabella und auf der Insel Santa Cruz gemäß dem Programm. Wir empfehlen, die Galapagos-Inseln bei Galapagos Options zu buchen. Es ist absolut zuverlässig. Es war alles gut organisiert. Unser Hotel lag direkt am menschenleeren Sandstrand. Wir hatten Deutschsprechende Reisebetreuung und auch auf unsere individuellen Wünsche ist unser Deutschsprechende Guide - Niveau 3 - (Ac. Jhover Alvarez) eingegangen. Wir haben nicht nur viele Tiere hautnah gesehen, sondern sind mit ihnen geschwommen. Es war für uns ein unvergessliches Naturerlebnis.

Galapagos options.com has been a great help to me. I was unable to arrange a flight from the Galapagos myself. After I had found them online and had verified their quality by reading all the positive reviews, they took care of the tickets after a friendly conversation online.

Hi, we were in Quito & went on the city tour, and Otavalo tour & went to the cloud forest to see hummingbirds, butterflys & orchids with Galapagos Options.com . We had originally planned to go to see Cotopaxi Volcano, but there was a strike & the park was closed. The Guide came up with the alternative & we were very satisfied with both the tours & the service of Galapagos options.com. Thank you for arranging an interesting, informative & enjoyable trip.

We booked a last-minute 5 day trip through Galapagosoptions. What a great experience! We received very reasonable rates, as well as excellent and courteous service. We would happily use this company again for another trip back to the Galapagos islands, one of the most enchanting places in the world.

Hello Galapagos Options.com,

We all had a blast in the Galapagos. We traveled for five days and visited the southern islands...The guide aboard was fantastic. He has worked as a guide in the Galapagos for 14 years and is extremely knowledgeable and friendly. He taught us tricks to swim with the sea lions and how to approach and get very close to them. He was always willing to talk to us and answer any and every question that we had. The crew members are friendly and always willing to talk and joke with the passengers. I am very grateful with the service of the Travel Agency Galapagos Options.com, the cruise worked out to be the delight that it was.

Galapagos Options.com hat uns sehr gut beraten bei der Wahl unserer Galapagos- Tour. Wir haben das gefunden, was wir gesucht haben. Alles haben wir so vorgefunden wie versprochen. Wir haben 8 schoene Tage auf der Yacht "Guantanamera" (total 16 Passagiere) verbracht. Bei unseren Besuchen auf den verschiedenen Inseln haben wir viele Tiere gesehen. Auch viel Spass haben wir an den schoenen Straenden und am Schnorcheln gehabt. Besten Dank.

The service in the travel Agency Galapagos Options.com was great, well informed and organised. I booked some scuba diving in Puerto Lopez through Galapagos options.com and it was great. The hotel is first class, great to have a comfortable bed and endless 'Agua caliente!' Manolo is a great guide who is the hotel manager and will go out of his way to help you.

I recommend galapagos options.com for any sort of bookin required, they are friendly english speaking people. Thank you.
